A Palm Beach house that's bright, happy, and full of energy

Interior design by ALLISON PALADINO  
Interview by LISA CREGAN  
Photographs by ERIC PIASECKI

In this oceanfront Palm Beach house, designer Allison Paladino glazed the sun-room walls bright green to capture the light and painted the woodwork white to calm it down. Ficks Reed's St. Denis Lounge Chairs and ottomans are covered in Woodland Fern and Baker Slipper chairs are covered in Monterey in Citron Green; both fabrics from Brunschwig & Fils. Ferncroft needlepoint rug from Jack Walsh Carpets.
